QUESTIONS ABOUT CONSTRUCTION?

The City of Renton hereby gives public notice that it is the Agency's policy to assure full compliance with Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, and related statutes and regulations in all programs and activities. Title VI requires that no person shall, on the grounds of race, color, sex, or national origin be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination under any Federal Aid Highway program or other activity for which the City of Renton receives federal financial assistance. Any person who believes they have been aggrieved by an unlawful discriminatory practice under Title VI has a right to file a formal complaint with the City of Renton. Any such complaint must be in writing and filed with the City of Renton Title VI Coordinator within one hundred, eighty (180) days following the date of the alleged discriminatory occurrence. Title VI Discrimination Complaint Forms may be obtained from the City of Renton, Transportation Division at no cost to the complainant by calling 425-430-7380.

RENTON DOWNTOWN UTILITY IMPROVEMENT PROJECT

Utility Work in the Downtown Area

In Spring of 2021, the Downtown Utility Improvements Project began initial construction to upgrade water, sewer and stormwater infrastructure within the downtown core. We have completed several areas of work (in the map to the right shown in blue) and are now entering our next phase of construction on S 2nd and S 3rd streets, and Shattuck Ave S. See below for descriptions of work anticipated **through the end of 2021**. Additional phases and overall project construction is anticipated to be completed in Fall of 2022.

We will promote businesses access and keep traffic moving to and through downtown during high impact work. Access to businesses and local events will be maintained, and directional signage and on-site crews will direct traffic.

Work hours are 7 a.m. - 6 p.m. Temporary Work hours on Tuesdays are 5 a.m. - 12 p.m. while work is in the vicinity of the farmer's market (estimated at 6-8 weeks). Additional notifications will be provided as work moves to specific areas.

For more information on other downtown projects visit:
www.rentonwa.gov/dcp

1. Rainier Ave S and S 3rd St

June - July/August 2021

Utility work will happen in the SW corner at the intersections of S 3rd St, Rainier Ave S and SW Sunset Blvd. On SW Sunset Blvd, it is anticipated eastbound traffic will be reduced to one lane, with traffic maintained for turns onto Rainier Ave S.

2. S 2nd St

Stormwater (between Morris Ave S and Shattuck Ave S)

July/August - September 2021

Utility work will occur on S 2nd St between Morris Ave S and Shattuck Ave S. We will begin on Shattuck Ave S and move east to Morris Ave S. S 2nd Street will be reduced to two lanes on the south side of the street.

Sewer (between Logan Ave S and Shattuck Ave S)

Summer 2021 - Fall 2021

Utility work will occur on S 2nd St between Logan Ave S and Shattuck Ave S. We will begin on Whitworth Ave S and move west to Shattuck Ave S and from Whitworth east to the block between Smithers Ave S and Logan Ave S. S 2nd Street will be reduced to two lanes on the north side of the street.

3. S 3rd St Sewer (Burnett Ave S to Rainier Ave S)

May - December 2021

Dewatering work on S 3rd St began in May between Burnett Ave S and Logan Ave S. Sewer installation work will now move west toward Rainier Ave S, block by block. We will be working between 2-4 weeks at each block before moving to the next. For sewer work between Burnett and Shattuck, S 3rd St will be closed at each active block during work hours, with a detour in place (see opposite side for details). One lane of traffic will be opened along S 3rd Street during non-work hours. Lane reductions (without full closures) will occur west of Shattuck Ave S.

4. S 3rd St Stormwater

Rainier Ave S to Shattuck Ave S

June - July 2021

Storm utility work on S 3rd St will occur this summer. This work will move east from Rainier Ave S to Shattuck Ave S. During this work, S 3rd St will see lane reductions, but not require closures.

Shattuck Ave S to Burnett Ave S

Fall 2021 - Winter 2022

Following Storm utility work on S 3rd St between Rainier Ave S to Shattuck Ave S, and in coordination with sewer work on S 3rd St, storm work will continue on S 3rd St in the fall starting at Shattuck Ave S and move East to Burnett Ave S. During this work, S 3rd St will see lane reductions, but not require closures.
